# Compaq Tru64 UNIX Online Documentation Library

# Master Index

AV–RN21A–TE

**October 2000**

This document lists all products for this release of the Compaq Tru64™ UNIX® Online Documentation Library.

**Revision/Update Information:** This is a revised document.

**Compaq Computer Corporation**
**Houston, Texas**

This document was prepared using VAX DOCUMENT, Version 2.1.

# Compaq Tru64 UNIX October 2000 Online Documentation Library Master Index

This master index lists the layered products for which documentation is included on the Compaq Tru64 UNIX Online Documentation Library CD–ROMs, as well as products that have been removed since the last issue:

| Table Number | Description |
|---|---|
| Table 1–1 | Lists all products included on the October 2000 Online Documentation Library CD–ROMs. |
| Table 1–2 | Lists products that have been removed from the October 2000 Online Documentation Library CD–ROMs. It also provides the CD number from the *July 2000* issue of the Online Documentation Library. To retain a copy of the documentation for any of these removed products, be sure to keep the indicated CD from the July 2000 release. |

The columns in Table 1–1 and Table 1–2 contain the following information:

| Column Name | Column Contents |
|---|---|
| Product Name | The name of the product. |
| Vers | The version number of the product. |
| UPI | The unique product identifier. |
| CD | The number of the disc on which the product is located. |
| Status | **NEW** indicates a new addition to the CD–ROM.<br>**UPD** indicates an update since the last issue.<br>**REM** indicates a removal since the last issue.<br>A blank space indicates no change. |
| Category | The documentation category bookshelf under which a product appears in the Bookshelf Navigation Utility (BNU). |

### A Note About Document Versions and Product Versions

In some cases, the product version numbers listed in Table 1–1 may not coincide with the version numbers of the books on the disc. However, the online documentation does support the current shipping version of the product.
